Hello, everyone. I'm Bob. I'd like to say something about my cousin Tommie. You won't believe your eyes when you see Tommie! He has changed a lot. The last time I saw him was only two years ago when he was in Grade 8. He was much shorter than me at the time, and he still had a child's voice. He was so shy when he saw me. He did not say much but he smiled a lot. Now Tommie is taller and more outgoing than me. He often helps to bring out the best in me.I have learned a lot from him. He is in high school. He is not shy any more. He told me a lot of interesting things about his class when we met. He is working very hard at his lessons now, because he wants to go to Beijing University.

书面表达 (One possible version)

On the weekend, I always watch TV , read newspaper and books, and do sports with my friends and parents.Sometimes I also go to the park or museum with my friends.

I usually watch TV for only two hours every weekend, because watching too much TV is bad for my eyes. But I often spend three hours or more reading books and newspapers.

As a student, we can do many activities to make make our weekend meaningful. Listening to music is enjoyable and makes us feel relaxed. Reading can increase our knowledge while doing sports can keep us healthy.
