Today I went to the Window World with my family. On my way, I saw some uncivilized behavior. For example, I saw some people breaking traffic rules or throwing rubbish everywhere. Some people even smoked in public places. In my opinion, As Shenzhen citizens, We should work hard to make Shenzhen a more civilized city. For example, we'd better develop a habit of helping others. Help the elderly. Offer seats to the old people on a bus. Don't make too much noise in public places. Pay attention to protecting the environment. Learn to be a green consumer. As long as everyone tries his best, Shenzhen will become more and more beautiful.
