I have an e-bike. It looks very old now. My father often asks me to change a new one, but I don't agree. I bought it three years ago. At that time, I had to go to school on foot every day. It took me more than half an hour to walk to school. I planned to buy an e-bike, but I didn't have enough money to buy one. I sold out all my old books and took part-time jobs to get my lovely e-bike. Now though it is much older, I wouldn't change it into a new one because I love my e-bike very much.

Good-bye.
You may speak to Jim.

I'll leave by myself.
I hope you will come to China again.
