十三、阅读短文。(12分)

(一)

This is a special school. All the students at this school work on different things. The students in the science class are learning about plants and they are growing plants in a greenhouse.

Look! Some students are planting new flowers. They have been digging(挖) since this morning. Other students are cutting the bushes(树丛) around the school. The bushes are smaller now.

The students also build a new greenhouse because the old one is very small.

Next week, their parents are going to visit the new greenhouse, so some students are working to finish it. What will you do to make your school more beautiful?

判断下列句子的正(T)误(F)。

- () 1. The students in the science class are growing plants.
- () 2. Some students have been digging since this morning to build the greenhouse.
- () 3. The bushes are smaller.
- () 4. The students don't build a new greenhouse.
- () 5. Some students are working to finish the new greenhouse.

(二)

A Young Apple Tree

A poor farmer has a friend. His friend is famous for the wonderful apples he grew. One day, his friend gave the farmer a young apple tree. The farmer was pleased. When he got home, he thought, "Where shall I plant it? If I plant the tree near the road, strangers (陌生人) will steal the apples. If I plant the tree in one of my fields, my neighbors (邻居) will come at night and steal some of them. If I plant the tree near my house, my children will take the fruit."

Finally he planted the tree in the wood. But without sunlight and good soil, the tree soon died (死亡).

A. 根据短文内容,选择最佳答案。

- () 1. His friend is famous for the wonderful _____ he grew.
A. oranges B. apples C. bananas D. pears
- () 2. If I plant the tree near the road, _____ will steal the fruit.
A. strangers B. my neighbors C. my children D. I
- () 3. If I plant the tree _____, my children will take the fruit.
A. near the road B. in one of my fields
C. near my house D. in the wood

B. 根据短文内容,快速判断正(T)误(F)。

- () 1. One day, his friend gave the farmer a young orange tree.
- () 2. The farmer was pleased with the gift.

C. 根据短文内容,回答下列问题。

- 1. Where did the farmer plant the tree? _____
- 2. What's wrong with the tree? _____
