Jim Allan Green

Most English people have three names: a first name, a middle name and the family name. Their family names come last. For example, my full name is Jim Allan Green. Green is my family name. My parents gave me both of my other names.

John Henry Brown

People don't use their middle names very much. So John Henry Brown is usually called John Brown. People never use Mr., Mrs. or Miss before their first names. So you can say John Brown or Mr. Brown, but should never say Mr. John. They use Mr., Mrs. and Miss with their family names but never with their middle names or first names.

阅读短文,判断正(T)误(F)。
