M: Yes, I visited Disneyland with my cousins.

3. M: Have you ever visited the Three Gorges Dam?

W: Yes, I visited it two years ago. It produces electricity for millions of people in China.

M: Yes, we stayed there for 3 days. Have you ever been there?

W: Yeah. I went there last year. But I didn't have enough time to have dinner on the top of the Jin Mao Tower. Did you go there?

M: Yes. Look at this family picture on my mobile phone! I took it on the top of the Jin Mao Tower when we were having dinner.

W: It's an apartment.

M: Is it in a tall building?

W: Not really. There are eight floors. And I live on the fifth floor.

第三节：听独白，完成信息记录表。独白读两遍。

Good morning, everyone. Welcome to the study centre. I'm your guide teacher Laura. Before we start, I'd like to explain what you can do here. The study centre is more than a place for you to come, sit and do your homework. You can see we've got books, DVDs, CDs---and some computers. You can use language learning programs on them.

There are many rules here. We do ask you to keep quiet in every area except the Speaking Room, so that other people can get on with their work. You can borrow up to 6 books or 1 DVD or CD at a time. We're open at lunchtime and after school until 8pm every day. At the weekend we're open from 10 am to 2pm. That's all. Has anyone got any questions?
