If you are a teenage boy, and you want to succeed in life, you'd better read the book. " From Boys to Men" by an American writer, Michael Guiana, tells teenage boys that there is no reason for them not to love life.

You may think that only your body is growing at the moment. But the book says your mind is growing, too. The book tells teenage boys that they need to help their bodies and mind grow. To do this, they should stop spending their time playing computer games and should start playing sports.

Sports, the book says, keep you healthy and teach you important life skills. They teach you how to be a

leader and how to work as part of a team.

The book also tells boys how to love life if they're being bullied(被欺负), It says boys have to stop being afraid of such bullies. It is the only way they can become more successful people. To become the man you want to be, you have to think for yourself and believe in yourself. But, most importantly, the book says, you must always dream of success. Never be happy with what you've got, and always want more.

So, the book is really worthy of reading.

Let's suppose it is a common day of 2060. Of course, things have changed and life is very different.

Trips to the moon are being made every day. Taking a holiday on the moon today is as easy as taking a holiday in Europe in the 2010's. At a number of scenic spots(风景胜地) on the moon, many hotels have been built. In order that everyone can enjoy the beautiful scenery on the moon, every room has at least one picture window. Everything imaginable is provided for entertainment of the young and old.

What are people eating now? People are still eating food. But a lot of food now comes in pill (药片) form, and the food that goes into the pill comes mainly from green plants.

Because people in the world today are much more than those about fifty years ago, most of the earth's surface has to be filled. The deserts are irrigated with water and crops are no longer eaten by pests(害虫). The harvest is always good. Farming, of course, is very highly developed. Very few people have to work on the farms. It is possible to run the farms by just using a few computers.

People are now largely vegetarians, and they eat only bread, vegetables, fruit and so on and they don't eat meat or fish. You see, as the number of people increases, the number of animals decreases. So people have to be vegetarians. We are healthier both in our bodies and in our minds, and we know how to deal with all kinds of illnesses. No one has to be ill any more.

58. Which of the following is TRUE?

- A. People only eat food in pill form.
- B. People don't have any crops.
- C. People run the farms by using high technology.
- D. The harvest is sometimes good.

59. Why do people have to be vegetarians in 2060?

- A. Because they want to be healthier.
- B. Because vegetables can make the patients well.
- C. Because there will be more people and fewer animals.
- D. Because eating vegetables is good for our minds

60. What attitude(态度) does the writer have about the future life?

- A. He feels pretty hopeful about the future.
- B. He is not very satisfied with some things of the future.
- C. He seems really sad about what will happen in the future.

The Canadian people are not all the same. There are many different groups. They came to Canada at different times. They came from different places. Many of them still live in different ways.

Long ago, only Native(土著的)Americans live in Canada. They arrived thousands of years ago. Today there are about fifty different American groups. The Eskimos came after the Native Americans did. They have also been in Canada for a long, long time. Most Eskimos live in the north of Canada, where it is very cold. The European settlers started arriving 450 years ago. Most came from France. They are a large group in Canada today. They follow French customs or ways of doing things. They speak French now. Later, most

settlers came from England and Scotland. They speak English now. Canadians have also come from Germany and Italy. There are smaller groups from other places, too.

You can see that different kinds of people are called Canadians. Many do not want to forget their own customs and languages. But now they share a large country and they share a future in that country. They are all Canadians.
