(B) Jingwei Tries to Fill the Sea

Have you ever read *Jingwei Tries to Fill the Sea*? Nüwa was the youngest daughter of Emperor Yan. One day, she took a boat to East Sea alone. Unluckily, she fell into the sea and died. Then she turned into a bird. Every day the bird carried stones and twigs and dropped them into the sea. When the bird cried, it sounded like “jingwei”. So people called it Jingwei. This story tells us that we should never give up when meeting any problem in life. Instead, we should be brave to face it and keep working hard.
