But I'm late today because I buy a doll for my sister on the way. We begin classes at 8:00. We have lunch in the middle of the day. In the afternoon, classes are over at 3:30, and I get home at 4:00. I do my homework quickly. We have supper at about 6:00. There is a big cake on the table. I give my present to my sister and say "happy birthday!" to her. She is very happy. All my family are happy, too. We are having a good time this evening.
