Part Three Reading and Writing

(第三部分 阅读和写话)

X. Reading comprehension (阅读理解)

A. Choose the best answer

Do you want to be successful at a young age? The following suggestions can be helpful.

Pay attention in school. Take proper(合适的)notes and sit straight, so you stay alert (警觉的) in class. Eat a good breakfast in the morning, and have a bottle of cold water with you to drink.

Ask questions. Many people don't ask questions because they are afraid it will make them seem not clever, but smart people question everything. If you don't understand something, don't wait until after class to ask your teacher. Just be brave to raise your hand.

Go to the library. Check out books on science, maths, music and art. The library is a good place for you to learn more things. Ask your librarian(图书管理员) what books she would suggest. She can answer almost any question you have, or **direct** you to the answer, so go for it.

Learn a new language. There are some very good computer programs that can help you learn a new language. You can ask the teachers or the librarian if they know any good computer programs for learning new languages.

Be polite. People will take you a lot more seriously if you are polite. Teachers will be shocked(震惊的) if you say thank you. please, yes sir and no sir. Even if you are smart, but you do impolitely, they will not like you.
