七、阅读短文并选择正确答案。(10分)

Once there lived a landlord who loved money very much. He forced (强迫) John to work all day but with little payment (报酬), so John went away angrily.

John met a poor old lady. He gave her all his money. The old lady thanked him and gave him a violin. Then, John met a man who was cutting wood. John helped him finish the work, but the man didn't give John money. John had to leave without being paid. All he could do was playing the violin. But when John was playing the violin, the man couldn't stop dancing with the music. He was exhausted (精疲力竭) at last. He gave the money to John.

John realized (意识到) that the violin was not common. It was a magic violin. Anyone who heard its sound couldn't help dancing. So he decided to give the landlord a lesson. John asked the landlord to return (归还) his money but the landlord refused (拒绝), so John played the violin. The landlord heard the sound and couldn't help dancing. Finally, he could not bear, and he gave all his money to John. John distributed (分发) the money to the poor.

- ()47. Why did John go away angrily?
 A. Because he lost his job.
 B. Because the man didn't give him the money.
 C. Because the landlord loved money very much.
 D. Because the landlord forced him to work all day but with little payment.
- ()48. Who gave John the violin?
 A. The landlord did.
 B. The old lady did.
 C. The man did.
 D. Nobody.
- ()49. What did John do to the landlord?
 A. He didn't do anything to the landlord.
 B. He played the violin with the landlord together.
 C. He played the violin and asked the landlord to dance.
 D. He played the violin and asked the landlord to return his money.
- ()50. How did John do with (处理) the money?

- A. He had the money himself (他自己).
 B. He distributed the money to the poor.
 C. He distributed the money to the old lady.
 D. Sorry, I don't know.

- ()51. Which sentence is **not** right from the story?
 A. We should be kind (善良) and clever.
 B. We should have a warm heart (有一颗温暖的心).
 C. We should be bad and greedy.
 D. We should help people who are in need.

八、阅读短文并判读正误, 正确的写“A”, 错误的写“B”。(8分)。

Long long ago, there was an old man. He was very poor. One day, he was hungry. He visited a farmer and asked for dinner. There were two guests (客人) in the farmer's house. There was a big chicken on the table. The farmer asked the old man to serve (分配) the chicken. The old man pointed at the head, "You are the host (主人) in this house. You can have the head." Then, he gave the neck (脖子) to the farmer's wife, "You're the hostess (女主人). It's for you." Then, he gave the wings to their two sons, "You will grow up and fly away from your parents." Finally, he looked at the other two men, "You have to go home. It's a long way. Please take the feet. Now the rest of the chicken is for me."

- ()52. The old man visited a farmer and asked for lunch.
 ()53. There were four people in the farmer's family.
 ()54. The old man gave the wings to the farmer's sons.
 ()55. The other two men liked eating chicken feet, so the old man gave them two feet.
