I am happy to introduce this new column (专栏) bringing news from UK schools.

In these years, many students from China come to the UK to go to school. Over 4,000 new students came in 2018. Studying in the UK can help them improve their written and spoken English, find out more about a different culture and experience very different ways of teaching.

Studying in the UK will be an enjoyable experience. The UK isn't a large country. You

can see many great cities in a short time, such as London, Cambridge and Oxford.

Life for a student studying in the UK can be very exciting. Children start school at the age of 4. At 11, children go to secondary school where they may study 10 subjects including math, science, English, history and one or more languages such as French. Classes in UK schools often have between 20 or 30 students. Most schools do not make students sit in the same seat for every lesson.

Children do not just learn from books or a screen, but enjoy various sports as part of their school days, such as soccer, rugby (英式橄榄球), field hockey (曲棍球) and cricket (板球). They can also join clubs after school.

书面表达

One Possible Version:

The best place in my heart

Have you ever been to Yunnan? It's the best place in my heart.

I went to Yunnan with my parents by car when I was 10 years old. When we got to Yunnan, we fell in love with its beauty of nature. My father didn't use to like taking photos. To our surprise, he stopped the car on the way to Gaoligongshan Mountain and asked my mother and I to take some photos. We stayed in Yunnan for three days. The weather was nice. Though it was summer, it was neither hot nor cold, just like spring. We enjoyed different special food there. Sometimes, the food was really spicy and sour, but we couldn't stop eating. I also ate the worms as food for the first time. It was really a big challenge. I would never forget it.

As long as I have time, I will go to Yunnan again. It has not only beautiful scenery but also delicious food.
