听下面一段独白,回答第 18 至 20 小题。

Dear Mom,

I'd like to tell you my idea. From now on, I have decided not to ask you for pocket money any more. I'm 15 years old now, **and I think I can make some pocket money by myself.** But I don't know what to do. **I hope to get a part-time job in my uncle's supermarket** to make my own pocket money. I want to work on Saturday or Sunday every week. Maybe you will say no to me. But in western countries, many students can get their jobs easily in supermarkets, restaurants or stores. They don't ask their parents for pocket money and they make it by themselves. I hope you can give me such a chance. OK?

Yours,

Leilei.
