Baseball is one of the favorite sports in the USA. Children play baseball in sports fields or parks.

At summer picnic, there is often an informal baseball game. Boys and girls, young and old take turns to bat. There are nine players on each team.

The baseball season goes from April to September. During this time, baseball matches are showed on TV and members of the important baseball teams become America's heroes (英雄). At the end of the season, the two top teams play against each other. Many baseball fans go together to watch the game. Millions of others listen to the radio or watch the television. People seem to talk only about the game. Even long after it is over, they still talk about the result and the players.

American football is perhaps the most popular sport in the USA. The football season begins when the baseball season ends. More people are interested in football than baseball. When there is an important game, thousands of people sit beside radios or in front of TV to get the result.

31. Where do children play baseball?

32. How many players are there on each team in a baseball game?

35. Which is more popular in the USA, football or baseball?

During the day we work and play, and at night we sleep. Our body rests when we sleep. In the morning we are ready to work and play again. Our body grows most when we are asleep. Children who are tired usually need sleep. We can get better at our lessons after having plenty of rest. Boys and girls who are eight or nine years old need ten hours of sleep every night. Our body needs plenty of air when we are asleep. If we do not get enough fresh air, we will feel tired when we wake up. While in bed we must not cover our head, our lungs need to get enough fresh air. If we open our windows at night, we can have plenty of fresh air. Cool air is better than warm air.

A. Fresh air. B. Covering. C. Warm air.
