My friend John got a restaurant in a big city. It is near a supermarket. He gets ten robots for the restaurant. He bought them from a foreign company in the United States when he decided to open a restaurant last month. Each robot costs(花费) 20,000 yuan. The restaurant is not big, but very popular in that city. Now more and more people come there for dinner.

The robots have different jobs in the restaurant. Two robots cook different kinds of food; one washes the dishes; one sweeps(打扫) the floor and the others give food to the guests (客人). Although all the staff (员工) are robots, it is not expensive to eat in this restaurant. Because John doesn't need to pay for the robots every month!

Robots do most of the jobs in the restaurant, but John is still very busy. He must do many things to keep the robots working well. Luckily, John is good at studying robots and he knows robots very well. I think in the future, there will be a lot of robot themed restaurants (机器人主题餐厅) around the world.

Each year, many festivals are celebrated in America. On January 1st, Americans welcome the coming of a new year like many people in other countries. And there are another three festivals on the first day of a month—April Fool's Day, May Day and Children's Day.

The most important festival for the young people comes in February. They celebrate Valentine's Day (情人节). Lots of boys give red roses (玫瑰花) to girls as presents.

People celebrate some festivals for their family members. They show their thanks to their mothers on Mother's Day in May and celebrate Father's Day in the following month. In November, many people return home for Thanksgiving Day, so the whole (整体的) family can stay together.

Halloween (万圣节) comes at the end of October. Of all the festivals, it's the most interesting for children. Children often play with pumpkin lanterns (南瓜灯) and put on all kinds of masks (面具) to collect candies from their neighbors. When their neighbors open the door, they will shout "Trick or treat."

Of course, the most important festival is Christmas. After a year of work and study, people can enjoy a long holiday, eat big meals and visit family and friends.
