#### New Year's Resolutions

At the beginning of the 2020 New Year, my family had a meeting and discussed about New Year's resolutions. Everyone in my family made all kinds of resolutions and wrote them down.

First, my father is going to stay with us when we are studying and playing. And he is going to do more reading. Next, my mother is going to take good care of my family and cook more delicious food. Then, as for my brother, he plans to study harder to get good grades. He is also going to take lots of exercise to keep healthy. Finally, I plan to learn to play an instrument—the guitar, because I like music very much. I'm going to keep on practicing the guitar for an hour every day.

In a word, we want to improve our life by keeping the resolutions. I hope our dreams can come true.
