M/W: When you feel bad, what can you do? Let me tell you some good ways of solving this problem. If it is sunny outside, go out and stay in the sun for half an hour, and you will be better soon. If you meet some hard problems at home, you can tell them to your family members and ask them for help. At school, your teacher is not only a teacher but also your friend. If you don't understand what to do with something, you can talk to your teacher first and then he or she may help you. Sometimes your friends and classmates can give you a hand, too. So don't worry about your problem; speak it out and you can get help!

**How to make egg fried rice**

Hey, friends! Do you know how to make egg fried rice? Here's one way to make it. First, break two eggs and put them into a bowl. Next, get a carrot and wash it. After that, cut up the carrot and put it into a bowl. Then, put a spoon of oil into the pot. When the oil is hot, put the eggs into it and cook. After one minute, put the rice and the carrot into the pot and cook for three minutes.

Finally, add a little salt. Now your egg fried rice is OK. Put it on a plate and enjoy it.
