题目①

Dear Peter,

I'm writing to invite you to record a micro lecture on how to learn English well. Some students find it difficult to learn English well, so we'd like you to give a micro lecture on English study to help them make progress. I would be most grateful if you could give some advice on remembering new words and improving reading ability. You can also share some websites or Apps that could help students. Would you please send me the video by next Friday?

Thank you!

If there is anything more that you want to know, please tell me.

Yours,

Li Hua

题目②

I have learned a lot of knowledge during the three years. And I have made some good friends as well. I have many beautiful memories of the moments that I spent with my teachers and my classmates in the classroom, on the playground and on the school trips.

I am a little sad upon graduation because I will leave my classmates and my teachers. I will miss them. And I am also happy because it is a new start of my school life.
