I have received many presents when I have my eleven birthday party. My parents give me a teddy bear, my uncle gives me a book. My best friend gives me a goldfish. Among all the gifts, I love the goldfish the most. I always want to have a pet in the family, but my parents don't allow me to keep one. Now I have my own goldfish. I will keep it and take good care of it. This goldfish is very beautiful. Its colour is pink. I love watching it swimming in the water. Sometimes, I will feed it. I wish it can grow up with me. This is the best birthday present ever!
