#### A

When you are at home, you may often help your mum with housework like folding the clothes. But can you imagine folding your phone screen? Huawei's newest phone, the Mate X, is foldable. You can fold it in half as if you are closing a book. But what makes the Mate X different is that it is folded from the outside.

The Mate X is both a phone and a tablet(平板电脑). When folded, it works as a phone. When unfolded, it is a tablet. The phone is very thin. When it is open, it is 5.4 mm thick, and when it is closed it is just 11 mm. 5G can also work on Mate X, which means users can get a whole movie in just a few seconds. But users can only take selfies(自拍) when the phone is folded. That's because the phone doesn't have a front camera(镜头).

Huawei, the Mate X maker, says they are going to sell Mate X in June this year, and the price is set at 2299 euros, which is much higher than people expected. Can you accept the price for changing a phone?

41. When Mate X is open, it's \_\_\_\_\_ thick.

 B. Users can take selfies any minute as they like.  
 C. Huawei is now selling Mate X in the phone market.  
 D. Huawei is going to sell MateX at a very low price.

#### B

Do you still remember Aron Ralston, who lost his right arm but still likes taking dangerous sports like mountain climbing? In fact, he is just one of the "extreme(极限) sports" fans. In these fans' eyes, extreme sports are quite dangerous but exciting sports that can bring out the best of them. Alex Honnold, another extreme sports lover, whoever climbed mountains without any safety equipment(装备) said that climbing is the time when he **feels most alive**.

Climbing is not the only extreme sport. There are many of them in fact. Let's take a look.

	<p><b>Wingsuit flying</b> Do you ever imagine flying through the sky like a bird? Wingsuit flying is probably the closest you'll ever get to the experience. Flyers wear a wingsuit. The wingsuit is large enough to catch the wind so that flyers can fly through the air. Wingsuit flyers usually jump out of an airplane to start their flights.</p>
	<p><b>Parkour</b> Parkour is a special sport that makes it possible for people to get around cities in a creative way. People jump, climb, roll and crawl to move across, through, over and under obstacles so that they find their way as fast as they can.</p>
	<p><b>Surfing</b> In this sport, surfers stand on top of a surfboard and ride across big waves (波浪). Surfers need to have excellent balance (平衡) and be able to swim in rough waters if they fall off their board. Surfers also learn how to do some special acts such as backflip (后翻) and rotations (旋转).</p>

Extreme sports are exciting, however, it also puts your life in danger. So, think it over and train hard before trying such sports.

Years ago in Scotland, the Clark family had a dream. Mr. Clark and his wife worked and saved, making plans for their nine children and themselves to travel to the United States. It took them many years, and they finally saved enough money to buy tickets for the whole family to travel on a new ship going to the United States.

The whole family was excited about their new life. However, seven days before their trip, the youngest son was bitten (被咬伤) by a dog. The doctor asked the boy to have a good rest at home for fourteen days.

What bad news for the whole family. They would not be able to make the trip to America as they had planned before. The father felt very sad and angry. He stood at the seaside to watch the ship leave—without the Clark family. He even cursed(咒骂) his son.

Five days later, bad news came. The huge ship *Titanic* had sunk(沉没), taking hundreds of lives with it. The Clark family was not on that ship because the son had been bitten by a dog. They were still

### E

My father woke me up early one summer morning when I was fourteen and said: “Get up, you’re going with me to cut the grass in the garden.”

The idea that my father thought I was old enough to help him in his business(生意) made me feel proud(骄傲) and excited. From sunrise to sunset, my father, my younger brother and I worked in the large garden, in a rich part of Atlanta, Georgia. By the end of the day I was too tired to say a word but I felt good. This was my first time to help my father in his business. I got \$ 6 for my work that day.

One day my father found some leaves I had missed and pulled me aside. “Take away these leaves!” he said seriously, “and don’t make me have to tell you to do it again.” The message was clear. Today I still value (珍视) it, which my father gave to me that day. It will always be helpful to impress (给……留下印象) the person you are working for.

After two years, I left home and went to another town to start my new life. Luckily for me, I quickly found a job to wash dishes in a restaurant. Every morning, I set off early, always with the same strong wish I got long long ago. I felt like I was old enough to be independent and make a living by myself.

In fact, washing dishes was not exciting, but that didn’t matter. It taught me that any job was a good job and whatever I got from the job was more than I had before. I could learn something meaningful from every job and do it better and better. One day, a newspaper reporter once asked me how someone could possibly live with hard work and low pay. “If you only think about hard work and money, \_\_\_\_\_ 58 \_\_\_\_\_” I answered.

In every job, from cutting the grass to washing dishes, I’ve learned much. I’ve learned something that helps me in my next job.

### VI. 任务型阅读。(65-67 每小题 2 分, 68 小题 3 分, 共 9 分)

Mr. Smith is fifty years old. He began teaching in a middle school twenty-six years ago. He works hard and always comes to his office on time. He expects his students to be honest (诚实) and is strict with them. Some of his students become famous people, but they still remember him and often write to him. Of course the old man is proud of it.

This term he began to teach Grade One. Some of the new students were told about him, but the others didn't know him well. He told them how to be an honest person. He gave them several examples and said, "I hate telling a lie most."

Before class was over, he told all his students to finish Exercise 8 in Unit 1. The next morning, as soon as he came into the classroom, he asked, "Who's finished Exercise 8?"

A few students put up their hands. He shook his head and said, "Open your workbooks and see if there's Exercise 8 in Unit 1 or not?"

The students had a look at their workbooks and their faces turned red at once.

65. How long has Mr. Smith taught in the middle school?

\_\_\_\_\_

66. Was there Exercise 8 in Unit 1?

\_\_\_\_\_

67. What is Mr. Smith proud of?

\_\_\_\_\_

68. Do you think teachers should be strict with their students? Why or why not?

### VIII. 短文填空。(每空 2 分, 共 16 分)

请根据短文内容, 在短文空格处填上一个恰当的词, 使短文完整、通畅。

Travel can teach kids more than a textbook. First, traveling with kids is good 74 them. They can find new interests. Travel makes information alive for kids, and makes it much more exciting than studying textbooks. Second, they learn 75 to fit themselves into new situations, and communicate with other people while traveling. Also, they learn to wait, because sometimes 76 takes a long time to get to some exciting or interesting places.

I've been traveling since I was seven years old. For me, to stop traveling would be like taking something important 77 from my soul(灵魂). I can't live without traveling and I wouldn't be who I am if I don't travel. So when some people say it's 78 to travel after having kids, I completely disagree. In my opinion, when people become parents, it doesn't 79 they couldn't travel any more. My children have travelled since they were three weeks old.

Bringing a new life into the world comes with many responsibilities(责任) and I'd love to be a good mother. One of my duties is to educate my children. I'm so thankful that I have visited many places with my parents on family trips 80 I was young. I've learned that the outside world is more colorful than the little one I was living in. Of course, I want to pass these travel experiences to my 81 because these will be their lifelong treasure.

I value(珍惜) the memories I have when traveling with my children. I'm sure they will always remember them in their lives.

### IX. 书面表达。(20 分)
