参考例文：

### My weekends

I like weekends, although I'm always busy on weekends. I have much homework, but I can also have some free time. On weekends, I like to watch a movie or just sleep at home. It's relaxing.

Last weekend, I had a very good time. On Saturday morning, I finished my homework. And in the afternoon, I went to the park with my friends. We played basketball for three hours. We were very tired but happy.

On Sunday, I went to visit my grandparents with my mother. I helped my grandfather feed the chickens and clean the house. My grandmother cooked a lot of delicious food for us.

You see, I had a very good weekend.
