The aim (目的) of students who came to school is to study. But to study requires (需要) a right way, or you waste either the time or the money. The following are the ways of studying.

The best time for reading is morning, because in the morning, the air is fresh and the mind is clear. For that reason, we can get good results.

In studying we must have patience (耐心). If we have not known a text well, we must read it again. We should not read the next one till we have learned the first one.

When we are studying ,we must put our hearts into the book ,or we can get nothing from the book while we are reading.

We must always ask “whys”. If it is not well understood ,write it down and ask our teachers or our parents, or friends. In any possible way, we must know it completely and what we've learned can be used well and made better.

Though there are many ways for studying ,yet the above mentioned (提到的)will be quite enough if we can keep them in heart and do so.

D. possible to learn something from it
- () 65. In studying we must always ask “whys”in order to _____.
A . understand the book well B . write down the questions
C. do with the new words D. get some questions to ask our teachers

☆ D ☆

In China , more and more middle school students are getting shorter sleeping time than before. Most students sleep less than nine hours every night, because they have much homework to do. The homework is from their teachers and their parents. Also, some students don't know how to save time. They are not careful enough while they do their homework, so it takes them a lot of time. Some students spend too much time watching TV or playing computer games. They stay up (熬夜) very late. Some students have to get up early every morning on weekdays to get to school on time by bus or by bike. It can be a long way from home to school.

Schools and parents should cut down some of the homework so that our children can enjoy more than nine hours of sleep every night for their health. For children, we should make best use of our time. When we have enough time for sleeping, we will find it much better for both our study and health.

- () 66. What makes most students sleep less than nine hours every night?
