Everyone has a family name. In China, the family name is different from that in English countries. In English countries, the family name is the last name. Do you know how English people get their family names? And what do they mean? English people usually get their family names in these ways.

Some family names come from the places of their homes. If a man lives on or near a hill, his family name may be Hill. In England, people's family name may be Wood or Lake, because they live near the woods or the lake. Some family names come from a person's job. If a person is a cook, his family name may be Cook. And many people get their family names from their fathers' first names. For example, if you see the name Jackson, you can know he is the son of Jack.

VII. 阅读表达根据短文内容, 完成下列任务。(共 10 分)

Cold air. Snow. Short days. We are in winter now

Winter is a cold season. It comes between autumn and spring. For us, the winter months are usually November, December and January. In China, winter is the time between the beginning of winter and the beginning of spring. But, this is the time that the southern part of the earth has its summer. Just imagine when we are playing with snow. Australian kids are enjoying ice cream!

In winter, we can do some activities.

Put on a holiday play and try acting. Ask your cousins or classmates to your house and make beautiful clothes and write a play. Act it out for your family. Play around. Go outside and enjoy yourself. Make a snowman with your friends. If you really have to stay indoors, clean your room and decorate it. You will find a lot of fun.
