VIII、附加题。(每题 2 分，共 10 分)

任务型阅读。

In the UK, we have English lessons in the middle school every day.We will use different books each term, studying the grammar, vocabulary and writing style. For this spring term, we're working on British playwright William Shakespeare's play A Midsummer Night's Dream(《仲夏夜之梦》) .

A week before our first lesson,we go to the library to borrow the book. We don't have to buy our own books, as they are reused and kept in the library. I have found studying these books to be really fun! At the beginning of the lesson,our English teacher prepares some word games for us to play, such as crosswords and filling in the blanks.The games last for 5 to 10 minutes. Afterwards, we will either act out some of the scenes in the play or read them aloud. Most of our time is spent doing worksheets(活页练习题) .We spend about 20-30 minutes working on them. Sometimes my teacher will ask if anyone is willing to do a presentation(展示) for our next English lesson.
