Conversation 1

- M: Helen, did you have fun on vacation?
W: Of course! First, I went to a summer camp.
M: Really? Did you go to Mount Lu? You said you wanted to go there.
W: No. But I visited Tengwang Pavillion. That's also a wonderful place.

Conversation 2

- W: Do you have piano classes in your free time?
M: No, I don't. Playing the piano is really boring.
W: What do you like to do in your free time?
M: I like playing sports with my friends after school.
W: How often do you play sports?
M: Every day.
W: You are good at sports, aren't you?
M: That's for sure. I do better than any other student in my class.

Conversation 3

- W: Who's your best friend, Mike?

M: Tom. He is like my brother.

W: Why do you like him?

M: Because he likes to do the same thing as I do. We both like sports.

W: So, is he different from you in any way?

M: Yes, I'm taller than he and he has longer hair. I think he studies harder than I. But I play basketball better than he.

W: And who is more outgoing?

M: I am. And he is a good listener. That's very important to me.

W: And is he smarter than you?

M: No, I think I'm as smart as him.

Monologue

Today is Sunday. My family want to see a movie together.

But we have different ideas on which cinema to choose. My father thinks Tian Mu Cinema has the biggest screens, so the pictures are clear enough. My mother likes Wanda Cinema better. She thinks Wanda Cinema has the most comfortable seats. But my sister doesn't think so. She says, "China Film Hall has the friendliest service and it has the best sound." However, it's quite far from our house. My brother wants to go to BaiHuaZhou Theater. Because it sells the cheapest tickets. Which cinema are we going to? We can't decide.

C) 听下面一段独白，根据独白内容完成 5 个句子，每个句子一空，每个空格不超过 3 个单词。独白读两遍。

Last week, I did a survey about favorite TV shows at No.2 Middle School. Some students' answers are interesting.

Lin Ming's favorite shows are sports shows. He often watches basketball games on CCTV-5. And he likes Kobe Bryant best. Liu Yuan, a 12-year-old girl, says she can't stand Beijing Opera. But it's her grandmother's favorite. Liu Yuan loves cartoons very much. She watches Pleasant Goat and Big Big Wolf every day. She thinks cartoons are interesting and relaxing. Sun Jing doesn't mind game shows. Lin Hui likes talk shows. She thinks she can learn more about life from them.

And there is another interesting thing. Most moms like Healthy Cooking but most dads like news.
