E

My mom loves to feed birds. She puts a bird feeder in the big tree in front of our house. Then, she waits for the birds to come. She enjoys watching all the birds coming to eat there.

There was once a problem, though. Every year two squirrels(松鼠) came and stole(偷) all the bird food. It really frustrated my mom. "Why do they think they can steal all the bird food?" she said. "If I wanted to feed them, I would setup a squirrel feeder."

Over the years, Mom has tried every way in the book to keep the squirrels away. But squirrels have a lot of talent. Mom once put up a fence(栅栏). But the squirrels just found a way to jump over it. It seemed Mom wouldn't win.

Mom didn't give up easily though. Two weeks ago, she went on the Internet and read all about the problem with squirrels stealing from bird feeders. She found a new way successfully. This weekend, Mom caught the two squirrels with a trap(捕捉器). She drove them outside of the city and let them go free.

Now, only birds come to Mom's bird feeder. She is happy. The birds are happy. And of course, the two squirrels are happy living in the countryside where there is always lots of food to eat. I think everyone wins.
