B. In the travel column of a magazine.

C. In the food column of a magazine.

D. In the culture column of a magazine.

**D**

Mr. Green lives in a village. He has a few farms and is the richest there. And he has pigs, chickens, cows and sheep. He works in the fields with some workers, and his wife has to do all the housework at home. So she is very busy and asks her husband to employ(雇) a girl to help her, but he doesn't agree.

"There are so many chickens, dear," said the woman one day. I can't look after them at all. That's easy," said Mr. Green. "There's Mr. Black's farm outside our enclosing walls(围墙). We'd better make a few holes in the walls and the chickens will go to his farm through them and eat his vegetables.

And soon Mr. Black found it. He told Mr. Green and his wife about it. They promised they would stop their chickens doing it but they didn't keep their promise at all. Mr. Black thought for a while and found a way. He put nearly 20 eggs near the holes one afternoon. And that evening, when Mrs. Black was counting her chickens, she called out on her farm, "Oh. I'm luck today! I found twenty eggs on my farms. Of course, Mrs. Green saw it herself. And she stopped up holes that night.

42 Where do the Greens and Blacks live?

A. In the different villages.

B. In the same town.

C. Far from each other.

D. Next to each other.

43. Why is Mrs. Green busy?

A. Because she has a few farms.

B. Because she has to do a lot of housework.

C. Because she has to help her husband.

D. Because she isn't strong enough to do all.

44. What does Mr. Green make some holes in the walls for?

A. Letting his chickens go to Mr. Black's farm and eat Mr. Black vegetables.

B. Letting his chickens lay(产) some eggs in Mr. Black's field.

C. Making Mr. Black angry.

D. Watching Mr. Black's chickens.

45. What does the underlined word "it" refer to?

A. Making the hole.

B. Laying eggs.

C. Eating Mr. Black's vegetables.

D. Eating Mr. Green's vegetables.

五. 书面表达 (15 分)
