(A)

My father is seventy-five years old this year. But he looks very young. He looks like a sixty-year-old man. Now he can do everything all by himself. For example, he cooks, washes clothes, does the housework and so on.

Every morning, my father goes out with a radio. He listens to the music or the news and goes to the park to play *taijiquan*. In the park, he talks and laughs with other old people. After coming back from the park, he begins to have breakfast and then he goes to the university (大学) for the old. He learns drawing there. In the afternoon, he plays on the computer for about one or two hours. After supper he watches TV and learns about the world. He goes to bed at about eight o'clock. He never stays up. He likes to share his ways of keeping healthy with others.

Are you healthy? If not, what do you learn from my father's secret of keeping healthy?

Baseball is one of the favorite sports in the USA. Children play baseball in sports fields or parks.

At summer picnic, there is often an informal (非正式的) baseball game. Boys and girls, young and old take turns to bat. There are nine players on each team.

The baseball season goes from April to September. During this time, baseball matches are showed on TV and members of the important baseball teams become America's heroes (英雄). At the end of the season, the two top teams play against each other. Many baseball fans go together to watch the game. Millions of others listen to the radio or watch the television. People seem to talk only about the game. Even long after it is over, they still talk about the result and the players.

American football is perhaps the most popular sport in the USA. The football season begins when the baseball season ends. More people are interested in football than baseball. When there is an important game, thousands of people sit beside radios or in front of television sets to get the result.

Sharing cars (共享汽车) is a new way of thinking---you can use a car but you don't need to own (拥有) it. Now car sharing has become an important way of people's getting out around the world.

Most people park their cars in garages(车库) for much time . Most people drive their cars for only about one or two hours a day. When they don't use them, they have to spend money on parking and other things. To save money, some people think up the idea of "car sharing". If we share a car, we'll only spend money when we use it. People can rent a car for an hour, a day or many days in America.

In America more and more people are sharing cars. In Switzerland , almost 40,000 people are doing it. Japan is also trying to make car sharing popular around the country.

Car sharing is a good idea for us to travel everywhere without buying a car.

根据短文内容，判断正(A)误(B)。

- ( ) 61. China isn't mentioned (提到) in the passage.
- ( ) 62. Most people don't use their cars for long every day.
