Our new neighbours are the Browns. They have two children, a boy and a girl. The boy is Jack and the girl is Alice. Jack is 11, and he is one year older than me. Alice and my sister Nancy are 8 years old.

At weekends, Nancy and I like to go to play with Alice and Jack. Both Jack and I really enjoy playing computer games. Sometimes the girls join us, but the games they enjoy are different from the ones we like.

There is a big park near our house. Sometimes, when the weather is fine, the four of us will go for bike rides there. We often stop at the huge playground to have some fun. Jack and I like to play basketball, but the girls prefer(更喜欢) to sing and dance.

Our families often have dinner together. On some days, they come over to our house and on other days, we go over to theirs. Mr Brown and his wife cook really well.

Nancy and I are very glad to have the Browns next door. It's great to have friends living so near.

Dear Liza,

I will be ten years old on Friday, 22nd July. To celebrate my birthday, I will invite several friends and I hope that all of you will be able to come to the party on that day.

There will be two parts in my party. The first part will be at the swimming pool near our school. Please bring your swimsuit (游泳衣) and a change of clothes. We have planned some pool games. My parents will be at the pool to protect the swimmers. The pool party will be from 2 p.m. to 3 p.m.

The second part of the party will be at my house. A bus will take us all from the pool to my house. A singer is coming to my house. He will sing popular songs for us. I am sure you will enjoy them. The home party may last till 5 p.m.

Please let me know by Friday, 15th July, whether you will come to my party, so that I will know how much food to prepare.

Love

Tracy

At a supermarket in County Durham, England, the workers are getting ready for some lessons in sign language (手语). They are excited to meet their teacher — two-year-old Diana Graham. The little girl will teach them how to communicate with deaf(聋的) customers(顾客).

Diana is a wonderful child. She began to use sign language to “speak” to her deaf mother before she said her first word. So whenever the phone rings or there’s a knock at the door, she can quickly tell her mother.

Diana understands the sign language well. Her mother even reads story books to her in sign language. Her grandmother said, “Diana started signing at about five months. She is so clever for her age.”

The supermarket managers(经理) couldn’t think of a better sign language teacher for their workers. So they asked Diana to give some lessons to the workers. They hoped that her lessons would help the workers communicate(交流) better with deaf customers when they were shopping.

41.Who will teach the workers to learn sign language?

A. Diana

B. Diana's mother

- C. The supermarket managers                      D.the worker themselves
- 42.When did Diana begin to use sign language?

- 45.Which of the following is NOT true?
- A. Diana’s mother is deaf.
- B. The workers in the supermarket want to learn sign language.
- C. Diana wants to be a teacher at the supermarket to make money.
- D. Diana knows much about sign language when she is two years old.

IV. 任务型阅读（10 分）

阅读短文，并按要求完成 46-50 题。

It’s 7:00 a.m. It’s time to go to school. What? You don’t want to go? Well, maybe you don’t have to. Many kids don’t go to school. They stay at home. Someone teaches them at home. Usually, their parents teach them. But sometimes a special teacher teaches them. This is home schooling.

There are many reasons (原因) for home schooling. Some children are sick and can’t go to school. Some students live very far in the country and there aren’t any schools near their homes. Also, parents just don’t like the schools near their homes.

Home schooling sounds easy, but it’s really not. Home-school students have

to do the same work as regular(正规则的) students. They study the same subjects and have homework. But home-school students study alone, and don’t have classmates. So, finding friends is hard for them. Not going to school is harder than you think.
