The Kennedy Elementary School band (肯尼迪小学乐队) is special. That's because Tony Boland, a member of it, is a 79-year-old flute(长笛) player. His story tells us that you're never too old to do things.

After working at the school for more than ten years, Tony joined the fifth graders in the band. His grandchildren were at the school. He helps children with their reading.

He started tooting the flute many years ago when his wife tried to throw away their daughter's flute.

"You will play better if you play with others," he told a reporter.

Brian thought Tony would make a difference to the band.

"He's great. He's helping the students around him," Brian said.

Tony practices with the students once a week and performs with them. They played at the School District Band Festival earlier this month.

Fifth-grade student Courtney thought her older classmate was successful.

"He's an excellent player," Courtney said. "All of us are afraid when giving a performance, but he isn't."

20. Why is Kennedy Elementary School band special?
 A. Because there is only a boy in it. B. Because it gave a performance earlier this month.
 C. Because its members are fifth graders. D. Because it has a member of 79 years old.
21. The underlined word "toot" means _____.
 A. have B. make C. play D. pay

22. How often does Tony practice with the students?

- A. Once a week. B. Once a day. C. Twice a week. D. Twice a day.

23. What's the best title for the passage?

- A. A special school B. How to help others C. Never too old to learn D. How to be different

D

I have a twin sister, Kitty. She has longer hair than me. Many people think we must have lots of things in common, but this is not true. When my parents' friends come to our home, Kitty often sits there and says nothing, but I like to have a talk with them. So she is quieter than me. Kitty likes reading, drawing pictures and cooking. I just like swimming and playing basketball. She has more hobbies than me, but she is not as athletic as me. Because Kitty does better than me in school, my parents often say to me, "Although Kitty is younger than you, you should learn from her." We do have some similarities (相似之处); for example, we both like eating fast food, going shopping and listening to pop music.

28. What is Kitty like?

- A. She has short hair. B. She is quiet. C. She is athletic. D. She likes swimming.

29. Why do their parents often say to the writer like that?

- A. Because Kitty is younger. B. Because Kitty is quieter.
C. Because Kitty has more hobbies. D. Because Kitty does better than the writer in school.

30. What do they both like doing?

- A. Eating fast food. B. Shopping. C. Listening to the music. D. All of the above.

How often do you exercise? I'm sorry to say that I exercise 1 than once a week. I know it is not a 2 way of living for a 17-year-old boy. However, I really don't have much time to exercise. I love sports. I was the member of the swimming team and the 3 team in school. I went 4 every Monday and Thursday, and I played volleyball every day after school. But I left the teams in September last year, because I had to spend much more time 5 my study. Now I have little time to do sports or have fun. I 6 watch TV or play computer games, either. The summer holiday is coming. My father asks me to play sports with him. He thinks 7 is very important. I hope I have time to exercise with him.

七、阅读表达 (共 5 小题, 计 10 分)

阅读下列短文, 按要求完成各题。

Today I was so happy to know that I did quite well in my last week's science exam. Thanks to Daniel, he taught me a new way of going over lessons. It is called "map idea". Because of the map idea, I learn how to find out the main idea in every lesson. And in my mind I can draw a map of all the important knowledge I need to remember. It's really good. I can remember so much in that way.

I never thought of changing the way of my study before. I was always complaining(抱怨) about my poor memory, but now my memory becomes good because of the map idea. It made my study much easier and more enjoyable. I realized learning how to learn well is the most important for us students.

1. When did they have a science exam? (no more than 2 words)
2. What is the new way of going over lessons? (no more than 5 words)
3. Why did the writer say it was a good way to study? (no more than 20 words)
