Dear Anna,

I'm glad to hear that you are going to China. Welcome to our hometown. I'll be a good guide. My hometown is in the southeast of China. It's a nice place with a history of over 1,900 years. It has a population of 9 million people.

My hometown is a good place to have fun. For example, during summer, you can lie on Yuliao Beach and enjoy swimming in the sea. Besides, you can taste the delicious seafood. Climbing mountains is another exciting outdoor activity here. The weather is comfortable all year round. It's neither too hot in summer nor too cold in winter. You can visit any time of year. The best choice is by train. That's because it's the most comfortable. What's more, it's quick but not very expensive.

It is the best to learn English from books, movies, newspapers, TV and magazines. I have some advice for you. First, why not watch Chinese programs on TV? What's more, it's a good idea to speak as much as possible. Last but not least, it's important to read the words under photos. It's often enough to understand the main idea of the passage.

In this way, you'll find Chinese isn't difficult to learn.
