Dear David,

How are you? I'm writing to introduce my classmate Wang Ming to you.

Wang Ming is a 14-year-old boy. He has a square face and short hair. I like his big eyes. He is taller than me.

I think he is an honest boy. He can keep secrets for his friends and never says bad words about others. He is also humorous. He always tells me funny jokes and makes me laugh.

Wang Ming is crazy about DIY. He often makes or repairs things at weekends. Last Sunday, he made a model plane for me.

I hope you can make friends with him. Maybe you can show him around your country when he visits you.

Best wishes !

Yours,
Li Jun
