One possible version:

My favorite movie is Frozen II. It's a cartoon movie. Frozen II is back with more wonderful stories. In the movie, the main characters Anna and her sister Elsa leave their home to a forest. There they work together with their friends to find out how their parents died. I think the best part of the movie is the music. I like to sing along to the songs when I see the movie.

All in all, I enjoy the movie very much. I think it's a movie with a good message. It tells me family comes first and teaches me to be nice to people. If you want to see a great movie with great songs, it's a must-see.
