Break or lunchtime can be lonely without her. Will it ever feel the same? 31, but how do you make them? Maybe it seems like everybody else already has their friends. But remember, there's always room for more friends.

Start by looking around your classroom—think about which one you'd like to play with at break. Look for chances to say hi to them, smile, and be friendly. Offer to share something or offer greetings. Invite someone to play with you or say "Do you want to sit here?" in the lunchroom. 32, walk over to the ones you want to play with, act friendly, and say "Hi, can I play, too?" or just join in.

33, or if you're feeling shy, ask your teachers to help you to make new friends. Teachers are usually pretty good at matching up friends. The best way to make friends is to be a friend. 34. As a result, you'll soon have one, or two, or even more new friends.

You might still miss that special best friend. 35, you can share something you didn't have before she left: You can introduce her to your new friends!

When people say "culture", we think of art and history. But one very famous symbol in American culture is a cartoon. We all know and love the black mouse with two large round ears - Mickey Mouse. Over 80 years ago, he first appeared in the cartoon *Steamboat Willie*. When this cartoon came out in New York on November 18, 1928, it was the first cartoon with sound and music. The man behind Mickey was Walt Disney. He became very rich and successful. In the 1930s, he made 87 cartoons with Mickey.

Some people might ask how this cartoon animal became so popular. One of the main reasons is that Mickey was like a common man, but he always tried to face any danger. In his early films, Mickey was unlucky and had many problems such as losing his house or girlfriend, Minnie. However, he was always ready to try his best. People went to the cinema to see the "little man" win. Most of them wanted to be like Mickey.

On November 18, 1978, Mickey became the first cartoon character to have a star on the Hollywood Walk of Fame. Today's cartoons are usually not so simple as little Mickey Mouse, but everyone still knows and loves him. Who has a pair of ears more famous than Mickey's?

I'm Adam and I live in California. I think the best movie theater in CA is the ArchLight, because it has the best environment and service. It opened on March 22, 2018.

The screen was big and the seats were soft. I found my row easily. Before the movie started, people talked a lot. But when it started, they were all quiet. People couldn't come into the room after the movie was on for 15 minutes. Of course this could be a little annoying (使人气恼的) for some of those late birds, but no one liked to be disturbed (被打扰) by late arrivers. So I enjoyed the wonderful sound of the movie a lot.

Keep Healthy

It is said that health is just like the number "1" in the number 100,000, without which all the "0"s are meaningless. So how important health is! If we have a good lifestyle, we will be full of energy.

Then how can we have a healthy lifestyle? Well, many students always study hard until 11:00 pm every night, and they can't get enough sleep. It's bad for their health. I think they should go to bed earlier in order to get enough sleep and work better next day. Some students always feel bored with everything.
