Today, there are many popular TV talent shows in China. 54 For some lucky people, these talent shows may make them become famous, such as Zhu Zhiwen and Liang Bo. They are from poor places. 55 However, there are also many bad effects. First, some young people just imitate(模仿) the people they like. They lose their own styles. Second, some young people spend too much time on such TV shows. 56 So they spend less time on their studies. This is bad for not only their study but also their development.

I know a boy called Bill. He is kind of unhealthy. He hardly ever exercises. And he eats lots of junk food because he loves it. When he has pocket money (零花钱), he'll always buy junk food. His parents worry about him a lot, but he says. “也许我不是很健康,但我高兴。” His parents have no good ways to stop him.

What do you think of it? Do you have a good habit? And do you want to be healthy? You must exercise every day and eat less junk food.
