Self-drive tour of Beihai

Last Saturday was a fine day. It was November 7th and my parents were free. So we took a self-drive tour of Beihai that day. We got there at about 10 o'clock. Beihai is a nice city and it is very famous in Guangxi. During our trip, we went to Silver Beach first and swam in the sea. Then we visited Marine museum and Beibu gulf square, we also ate seafood and bought lots of gifts there. Although we were all tired, we felt very happy.

What a great day we had in Beihai!
