When people watch the show, they usually decide the winner. However, some don't like the shows, because they think the performers aren't real. Others like the shows, they think they are fun to watch and they can make their dreams come true. (78)

参考范文:

There are many programs on TV. I like talent shows, because they are interesting and exciting. I like news, too. It can tell me what is happening around the world. But I can't stand soap operas. They are boring and the things in it aren't real at all. As for the sports shows, I don't mind them. My favorite programs are talk shows. I can learn something useful from them. They're educational.
