Sunny

It was sunny yesterday. Our school held a autumn sports meet. There were 4 events for both boys and girls. They were the long jump, the high jump, the 100-meter race and the 400-meter relay race.

Everyone in our class felt very excited because we got a wonderful result. Sixteen of us took part in the activity and we got 4 first prizes, 2 second prizes and 3 third prizes. My classmates Yuan Ying and Fang Dan won the girls' long jump and the high jump without difficulty. So did I in the boys' 100-meter race. In the boys' relay race, three boys and I ran very fast, coming out on top. In the meantime, all other classmates watched the matches, took photos and cheered us on.

From this sports meet, I know that sports can keep us healthy. We should do sports every day. Meanwhile, teamwork plays an important role in the relay race. As the saying goes, one tree cant make a forest. So it made us learn to help each other in our daily life.
