One possible version:

Dear Linda,

I am doing fine here. I would like to tell you about my new Chinese friend Nick.

Nick is thirteen years old. He has a good sense of humour. He is polite and helpful. His school starts at 8 a.m. and finishes at 5 a.m. every day. He spends more time on his homework than American students. In his free time, he likes travelling. Last weekend, we visited the Great Wall and the Palace Museum. We had a good time there. He wants to be a social worker because he wants to help more people. I hope his dream will come true. (I hope you will be friends too.)

How are you going? I'm looking forward to hearing from you soon.
