You should make each other happy and share your lives.

But things cannot always be happy. Even the best friends have fights. What should you do when you have a fight with your friend? You have to talk to him or her. When there is no one around, have an honest(诚实的) talk. If he or she doesn't want to talk, you could write a letter.

If you want to be friends again, you can take these steps: Tell him or her how you are feeling; say what your friend has done wrong; explain(解释) why you did this or that.
