China's Singles' Day, also called Double (双的) Eleven, has become (成为) the biggest (最大的) online (网络的) shopping day in the world. Singles' Day is on November 11th every year. On this day, people buy many things from online shops because many online shops have a great sale and they can buy things at very good prices. Many people even write down what they want to buy before the Singles' Day comes.

People in the US don't have the Singles' Day, but they have a great day like this-Black Friday. It is on the fourth Friday in November. It is one of the biggest shopping days for people in the US. Stores are selling things at very good prices on this day, so people buy many things for the coming Christmas (圣诞节), such as clothes, fruit, vegetables and drinks.

Black Friday and the Singles Day are both big shopping days. But Black Friday is different from the Singles' Day because most people buy things in real stores on Black Friday. They often get up very early in the morning, stand and wait (等待) for hours to buy their favorite things.

Which shopping day do you like?

56. When is the Singles' Day in China?

57. Why do the Chinese buy a lot of things on the Singles' Day?
