Last night, when I walked home from work, I saw a young man trying to steal a car. I quickly ran to a nearby shop and called the police. When I came out, both the young man and the car were gone. About ten minutes later, the police arrived and asked me to describe the whole thing. "It is a dark blue car with the plate number KMS1156. The young man is tall with short yellow hair. He seems to be about 25 years old," I said. The policeman wrote down everything I said in a notebook. I was a little scared but I was glad to be able to help.

W: But I've got a music lesson this afternoon!

M: I'm sorry. I'm really sorry, Karen!

W: Well, it doesn't matter. I can share with Judy.

M: No, you can't. Judy is ill in hospital.

W: I'm sorry to hear that. I hope she will be better soon.

第三节 听下面一篇短文。按照你所听内容的先后顺序将下列图片排序。短文读两遍。

Last Saturday, I took Peter, a student from Australia, to experience some Chinese cultures. Everything he experienced that day was a great attraction to him.

In the morning, Peter and I went to visit a tea museum. He learnt a lot about Chinese tea. After that, I took him home and taught him to make *zongzi*. Although it was a bit difficult, he really enjoyed it. In the afternoon, we had a Chinese class, learning the history of Chinese characters. He also tried to write some characters with a Chinese writing brush, and even lost himself in it. After that, we went to a chess club to learn Chinese chess. He said it was difficult but very interesting. In the evening, we watched Peking Opera together. He was very interested in the singing and costumes in the opera.

Peter kept saying "Amazing!" all the way, which made me really proud of our rich cultures.
