听 力 材 料

现在是试听时间。请听一段对话，然后回答问题。

M: I'm going shopping, Mum. Do you need anything?

W: Yes, get some apples and some oranges to make juice with.

M: Well, we already have lots of oranges.

W: OK, just some apples then.

答案是 C。

下面正式开始英语听力测试：

A)请听下面 8 段对话。每段对话后有一小题，从题中所给的 A、B、C 三个选项中选出最佳选项，并在答题卷上将该项涂黑。听完每段对话后，你都将有 10 秒钟的时间回答有关小题和阅读下一小题。每段对话读两遍。

1.W: I am going shopping this Sunday. What about you?

M: I want to go boating with my friends.

W: That's a good idea.

2.M: Excuse me, where is the nearest library?

W: Sorry, I'm new here. You can ask the policeman over there.

M: Thank you all the same.

3.W: I'm glad to hear that you did well in the English exam.

M: Thanks. And twenty-one of us got 100.

4.M: Mary, where were you last night? We called you at the airport, but you didn't answer!

W: Sorry. I was just sleeping at home. I didn't hear it.

5.M: Lucy, what do you think of the Dragon Boat Festival?

W: There is no festival better than it.

6.W: Allen, my computer doesn't work. What can I do?

M: Oh, sorry. I am not good at it. You'd better ask Mr. Brown for help.

7.W: Can you take me to the Sunshine Restaurant quickly? I am already five minutes late.

M: I'll try. But the traffic is so heavy. It will take at least another 15 minutes.

8.W: Tom, is there anything good on?

M: Let me see, Mary. Ah, there is a new movie at the Sunny Screen Cinema at seven twenty.

W: How about going to see it?

M: Why not?

B)请听下面 5 段材料。每段材料后有几个小题，从题中所给的 A、B、C 三个选项中选出最佳选项，并在答题卷上将该项涂黑。听每段材料前，你将有时间阅读各个小题，每小题 5 秒钟；听完后，各小题给出 5 秒钟的作答时间。每段材料读两遍。

请听第一段材料，回答第 9、10 小题。

W: Hi, Paul. Don't you remember me?

M: Oh, Tina! What a surprise to see you here.

W: That's right. I haven't seen you for two years. Where have you been?

M: I joined the city basketball team and have been busy practicing. What's your job now?

W: I am a singer in a band.

M: Really? You used to be shy, didn't you?

W: Yeah, but now I am outgoing.

请听第二段材料，回答第 11、12 小题。

M: Have you seen Lily today, Cindy?

W: Yes, I saw her this morning.

M: Do you find she looks sad these days? What's the matter?

W: She didn't pass the math exam last week.

M: Really? I know she was good at math, wasn't she?

W: Yes, but she was ill last month and was away from school for a week. She missed many classes.

M: I'm sorry to hear that.

请听第三段材料，回答第 13 至 15 小题。

M: Hi, Lin Feng. If you are ready to go shopping, don't forget to take your own bags.

W: I know. To save the environment, the supermarket won't offer us free plastic bags.

M: Now our environment is getting worse and worse. I think it is right to do that.

W: I think we can do something else, too. For example, ride a bike to work but don't take a bus or drive a car if we don't have to.

M: I agree. And we should turn off the lights and computers when we go out.

W: And we aren't supposed to waste water.

M: Right. Water is becoming less and less now.

W: So we should call on people to save water and recycle water.

请听第四段材料，回答第 16 至第 18 小题。

W: Good afternoon. Can I help you?

M: Yes, I bought the phone here and there is something wrong with it.

W: I see. When did you buy it?

M: I only bought it 2 days ago, on Tuesday. I felt quite angry, you know.

W: Sorry, sir. Well, I can give you the money back or change a new one for you.

M: I'd like my money back, please.

W: Sure. Can you write your name on this form, please?

M: Of course. Here you are.

W: Thank you. Here is the money, 40 dollars.

请听第五段材料，回答第 19 至第 22 小题。

W: What are you doing, John?

M: I am reading a book about the great inventor Thomas Edison. Do you know Edison, Mum?

W: Of course. I think everyone in the world knows him. He was an American inventor. What do you think of him, John?

M: He was creative and hard-working.

W: Yes. And most of his inventions had a lot of influence on the 20th century.

M: Was he only in school for about 3 months?

W: Yes, you're right. He learned the knowledge all by himself. He was hard-working.

M: I think I should learn from him. Don't you think so?

W: Yes.

M: So I won't go to school, either,

W: What?

M: I am kidding, Mum. I will work harder.

C) 请听下面一段独白，根据独白内容完成下列句子，每个空格不超过 3 个单词，将答案填写到答题卷的相应位置。听独白前你将有 50 秒钟的时间阅读句子内容。独白读两遍。

Many teenagers can't communicate with their parents well. They are very easy to get angry with each other. Tom is one of them. He had an argument with his parents last week. He felt very sad and upset after arguing with his parents. He didn't want to do that. He asked his Chinese teacher, Mr. Huang, for help. Mr. Huang advised him to spend some time with his parents. At first, Tom wrote to his parents. Then they went out for a walk after supper. They had a happy talk with each other about how to understand each other. Tom is very happy now because he gets on well with his parents.

One possible version:

I have changed a lot during the past three years. I used to be short and fat when I entered the junior high school, but now I am much taller and thinner because of exercise. There is just one sad thing—I started wearing glasses. I often read books in poor light or in bed.

Most people I know say I am helpful and outgoing. However, in the past I was so shy that I felt nervous when I talked with others, and I hardly answered the teachers' questions in class.

What's more, I have taken up two hobbies—swimming and collecting coins. They help me keep healthy and make me feel relaxed. Three years ago, however, I was so interested in playing computer games that I spent all my free time on them. I hardly play them now.

Three years' junior school life makes me a better person. And I am sure I'll be better and better.
