The first and the most important thing is to \_\_\_\_\_ 36 \_\_\_\_\_ yourself. You should always be full of confidence or you will \_\_\_\_\_ 37 \_\_\_\_\_ be able to improve your English. You should often \_\_\_\_\_ 38 \_\_\_\_\_ yourself, "Come on! Don't be afraid!" You should never lose heart and never give up.

Maybe you are afraid of \_\_\_\_\_ 39 \_\_\_\_\_ face, but you should think that we are students and we're learning, there's no need to worry about anything. You must always be \_\_\_\_\_ 40 \_\_\_\_\_ in practicing. It's no problem that your pronunciation and intonation (语调) won't be as good as a native speaker because we are Chinese, and we haven't had the chance to live in foreign countries and talk with the people there \_\_\_\_\_ 41 \_\_\_\_\_. But you must know that the main \_\_\_\_\_ 42 \_\_\_\_\_ of studying English is to make ourselves understood and understand other people. You should believe \_\_\_\_\_ 43 \_\_\_\_\_ native speakers will not laugh at you. \_\_\_\_\_ 44 \_\_\_\_\_ they will encourage you. So if you are \_\_\_\_\_ 45 \_\_\_\_\_ enough, you'll certainly make rapid progress in your spoken English. Don't be shy or afraid! Just try your best.

It's important to learn things about protecting environment. Here's a 4Rs rule for us.

#### •Reduce

If you want to reduce waste, you should use things wisely(明智的). A large number of trees are being cut down to make paper. If everyone uses paper carelessly and then throws it away, soon we would not have any trees left. Some other things are also being wasted, and people don't know what to do with waste in big cities, so it's necessary to reduce waste.

#### •Reuse

You should always think of reusing the usable(可用的) things before throwing them away. Give your clothes or things you don't use to the poor. In a family, you may pass such clothes on to your younger brothers or sisters.

#### •Recycle

Bottles, cans and paper can easily be recycled. By doing so we save lots of time and money, for example, cola cans are sent to a factory, where they're smashed flat(压平) and smelted(熔化), and the metal things are made into new cola cans.

#### •Repair

If one of the legs of your table is broken, you can repair it. If you want to change for better ones, it's better for you to sell the old ones or give them to other people who can use them after doing some repair.

Time to say goodbye to our school! I still remember the first day at school, my teacher, Mr. Wang, greeted me with a big smile. 61

While I was in Grade 7, I used to be shy. My face turned red when I talked to others. 62 Mr. Wang advised me to join a club after school so that I could find real friends there. I joined the chess club and won the first prize in the school chess competition. Everybody looked up to me and wanted to play chess with me. 63

Grade 8 was full of laughter and tears(眼泪) to me. I remember training hard for the school sports meeting but we were not the winners in the end. We cried and regretted not trying our best. Mr. Wang smiled to us, " 64 Losing the game is one thing. Winning is less important than friendship!"

65 Now we're in Grade 9 and we'll leave our school in a few months. We are thankful that we have such great teachers like Mr. Wang. It has been an unforgettable period in our lives!

A. It's no big deal!

B. How time flies!

C. I became outgoing(外向的) and popular.
