The place where I want to go

The place where I want to go is Beijing. It's the capital of China and I have never been there before. It's my dream to be there one day.

If I have the chance to go there, I will visit as many places as I can, such as the Forbidden City, Beijing Hutong, and the Great Wall. After visiting these places, I will enjoy Beijing Opera. Since I was a little boy, I have been a fan of it. It's my dream to enjoy it in Beijing. Beijing Duck is also the food that I must have a try.

A day is not enough for me and Beijing is really the place where I want to go!
