A. 回答问题(本题有 5 小题,每小题 2 分,共 10 分)

阅读下面材料,根据所提供的信息,回答问题。

Every year many people get hurt or die in traffic accidents. So we must obey the traffic rules to avoid them. Different countries have different traffic rules. In China all the cars and buses keep on the right of the road.

When we cross the road, we must stop and look both sides(first left then right, and left again). But in England, the traffic is on the left. When you cross the road, you should look right first, or you may be in an accident.

People have to obey many traffic rules. You must walk on the sidewalk. If you like riding a bike, don't ride in the middle of the road or run through red traffic lights(闯红灯). When you ride a bike with a friend, first you should wear a helmet, and don't look around or talk.

When you drive, you mustn't drive too fast and you should pay attention to(注意) the

traffic signs. It's good to help children and old people to cross the road. Remember to think about others.

71. What should we do to avoid the traffic accidents?

72. Do different countries have different traffic rules?

73. In which country the traffic is on the left?

74. When you ride a bike with a friend, what should you do first?

75. What should you pay attention to when you drive?
