阅读短文,根据短文内容,从下面各小题所给的四个备选项中,选出最佳选项。(每小题 2 分)

These years people show all kinds of things on the Internet—good food, nice clothes, wonderful vacations and so on. Now showing the number of steps is becoming popular, too. Why?

People are finding it important to be in good health. To keep healthy, many people go to work on foot. When they start walking, they open the step counter app in their phones to record how many steps they walk that day. After a day's walk, some people show the number on WeChat or Weibo. This can make them learn from each other and keep exercising.

"This helps me to exercise much and keep a good habit," Miss Liu said. "I can also talk about how to keep healthy with my friends on WeChat. We are in the same group to encourage each other to keep exercising."

Mr. Wu likes to exercise. But in the past he was kind of lazy and didn't want to exercise every day. "After I use the step counter app, everything is different. It's great to exercise with my friends. Sometimes there are prizes for those who walk more steps. I really like it," he said.

Walking is a relaxing and useful way to exercise. Both the old and the young like it. Recording the steps helps people develop a good habit of walking and showing the number can make people more interested in walking. But don't take the number too seriously.

66. Now, _____ on the Internet is also becoming popular.
