Hi, Li Wei!

I found a house near the seaside. It's a wonderful house. It's about 500 meters away from the seaside, 1 kilometer away from a supermarket and 1.5 kilometers away from a park. It has two bedrooms, a kitchen and a bathroom. I think it's enough for your family. The most important is — it's on the ground floor and there is a small garden in front of the house. You can enjoy your summer evenings in the garden with your family. How nice! I have called the owner about the price. You can pay him 1,200 *yuan* for a week. I think the price is right. Tell me your decision as soon as possible.
