听第一篇短文，回答第 13-15 小题。

In Moonlight Town, many people buy kites to fly or watch others fly kites in Moonlight Park on sunny and windy days. In Lake Town, some people fly kites in River Park. People of all ages love to see different kites slowly rise into the sky and fly through the air, higher and higher. It is amazing to see the clever designs that are used -- lovely birds and colourful butterflies. It is relaxing to see people control their kites well. A lot of skills are needed to make the kites so beautiful.

听第二篇短文，回答第 16-20 小题。

I’m Daniel. I’m having some problems at school. I find it difficult to study in the evening and I can’t do my homework carefully at the moment. I spend most of my time listening to music instead of doing my homework. The other students in my class do much better than I do. Also I can’t always take down the important things my teacher says, because I write too slowly. She has told me that I’m falling behind my classmates in my studies. I usually hand in my homework late because I don’t do it until the last minute. So I often have to find different excuses to tell my teacher why I didn’t do the homework. I’m sure I’m not going to pass my final exams in June. I don’t know how I can catch up with my classmates. My teacher spent some time helping me with my homework, but she found so many mistakes, which made me feel even worse.
