My weekends

My name is Li Hua. I am a middle school student. My weekends are always wonderful.

Every Saturday I learn English in the English club for two hours. Sometimes, I hang out with my friends. We may see movies, play basketball, go shopping and so on. Sometimes, I go to the library to do some reading. Sometimes, I help my parents with the housework on Sunday. Sometimes, I stay at home watching TV or go to visit my grandparents.

In my opinion, it's important for us to have happy, relaxing weekends. So we can work harder in the following days.
